

CSU Students and their Academic Coach

Standards of Care

With the aid of a **CSU Academic Coach**,
all **CSU students** will be able to:

Academics

- Register for classes!
- Read and understand my degree audit!
- Research and identify internships and campus support services related to my degree!
- Track my progress toward graduation!
- Submit university registrar forms and petitions!

College Life

- Read my tuition account and financial aid information!
- Locate and sign-up for campus resources that support my individual academic and social emotional needs!
- Identify on campus student groups & organizations that will increase my sense of belonging to the campus community!

Communication

- Understand the meaning and purpose of any holds on my account!
- Communicate with my Academic Coach on Starfish!
- Request the type of meeting I need with my Academic Coach!
