INSTRUCTIONS:

If equipment will be off-campus for one academic term or less, an original of this form shall be kept on file in the department and another original or photocopy with original signatures shall be retained by the individual authorized to take the equipment off campus. This photocopy shall remain with the equipment at all times to show proof of authorization. When equipment is returned, all forms may be discarded.

If equipment will be off campus for more than one academic term, the original of this form shall be kept onfile in the department, one photocopy shall be sent to Property Control, Plant Services Bldg., Room 201 and another original or photocopy with original signatures shall be retained by the individual authorized to take the equipment off campus. This photocopy shall remain with the equipment at all times to show proof of authorization. When equipment is returned, an original shall be updated with the date of return and a photocopy of the updated form shall be sent to Property Control.

Please direct any questions regarding off-campus use of equipment to Property Control at ext 2205 or 2007.

^{*}Equipment is defined as nonexpendable, tangible, personal property having a useful life of more than one year.
