3. Under **SIGN IN WITH**, tap **SSO**:

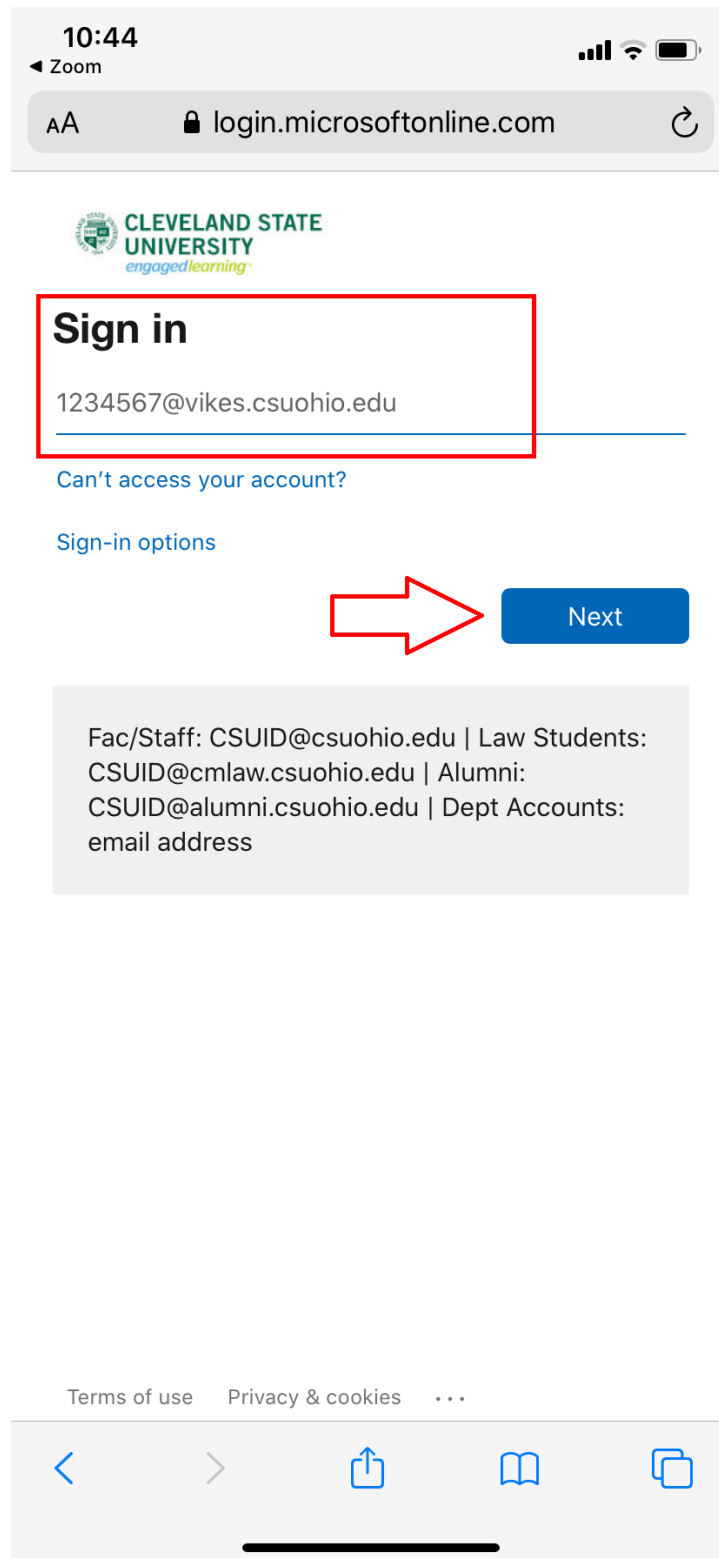

The screenshot shows a sign-in interface. At the top, there are two input fields: "Email Address" and "Password". A large red "X" is drawn over both fields. Below these fields is a blue rounded rectangular button labeled "Sign In", which also has a large red "X" over it. Underneath the button is a link that says "Forgot password?". At the bottom of the screen, there is a section titled "Sign In with SSO" which is highlighted with a green rectangular border. Below this header are four buttons for different sign-in methods: "Sign In with Apple" (with an Apple logo), "Sign In with Google" (with a Google logo), and "Sign In with Facebook" (with a Facebook logo). The "Sign In with SSO" header and its corresponding button are the focus of the instruction.

4. When prompted, enter “**csuohio**” in the **Enter your company domain** field:

5. You will be directed to CSU's Single Sign On site.

Enter your **CSU ID@<yourdomain>.edu**, then tap **next**.

6. Enter your **Campus password**:
